

## **LIVING TOGETHER FREE FROM VIOLENCE IN A FAIR SOCIETY FOR ALL**

### **WHERE**

Morocco. Béni Mellal – Khénifra Region

### **PARTNERS**

Coordinator: ProgettoMondo

Partner: AIDOS, Association Qualification de Jeunes (AQJ), Collectif Civil pour la Défense des Droits des Femmes (CCDDF).

### **BACKGROUND**

### **GOAL**

Strengthen the commitment of civil society organizations (CSOs) and young activists in the Beni Mellal-Khénifra Region against Gender Based Violence (GBV) within the framework of promoting a culture of equality

### **SPECIFIC OBJECTIVES**

Strengthen the capacity of CSOs and young activists to act as actors for good governance and development in the following areas:

- Prevention and awareness of GVI in the region ;
- Protection and access to services of girls/women at risk/survivors of violence in the region

### **ACTIVITIES**

- Research on gender stereotypes, violence against women and gender equality in the regio
- Capacity building of CSOs and young women activists
- Prevention of violence against girls/women and protection of survivors in formal and informal educational settings and in the media through:

- Creation of a system of identification, awareness and referral to assistance structures;
- Awareness-raising activities for the prevention of violence against girls and women;
- Activities to offer multidisciplinary assistance services to girls/women who have survived violence;
- Advocacy activities with regional authorities for the effective implementation of protocols and services for the management of GBV survivors.

## **BENEFICIARIES**

### **Direct beneficiaries**

- 80 workers/persons from 12 CSOs and 14 NAJAH schools/recreation centers/clubs/associations, including parent and teacher associations trained and informed
- 15 young activists trained and sensitized
- 3,500 people (especially girls and young people) in the 12 CSOs and in the 14 schools/recreational centers sensitized and informed
- Girls and women survivors of gender-based violence:
  - 1,750 girls and women in the Beni Mellal-Khenifra region access information and develop greater awareness
  - 75 girls and women who survived GBV access integrated management services
- 40 representatives of local authorities involved and sensitized

**Indirect beneficiaries:** resident families - about 300,000 people - will benefit from the effects of the activities carried out, leading to a more fair and less violent society towards girls and women.
